EXPLANATION OF RELEVANCE

Reference AA corresponds to German PS 199 18 883 and Reference AB corresponds to German OS 198 22 021, which were identified and discussed, together with References AN and AP, at pages 1-3 of the present specification.

Applicant stands by the statements in the specification concerning the teachings of these references. Reference AN corresponds to copending United States Application Serial No. 09/979,966, filed November 27, 2001, and owned by the same assignee as the present application.

Reference AP corresponds to abandoned United States Application Serial No. 09/419,937, a copy of which is attached to Reference AP for use as a translation thereof, however, Applicant does not represent that this is a literal translation.

The remaining references, or their respective German counterparts, were cited by the German Patent and Trademark Office during examination of the counterpart German application. Since all of these references are in English, no further commentary concerning their teachings is necessary.

Copies of each of the above references together with Form 1449 are submitted herewith.

As of the date of mailing of this Information Disclosure Statement, a first Office Action on the merits has not been received in connection with this application. This Information Disclosure Statement is therefore in compliance with 37 C.F.R. §1.97(b)(3), and no fee is necessary.

All claims of the application are submitted to be patentable over the teachings of the above references, taken singly or in combination. Early consideration of the application is therefore respectfully requested.

Submitted by,

(Reg. 28,982)
